Furthermore I am interested in all kinds of "political propaganda", especially propaganda music, in recordings of national anthems (historic and actual ones), in recordings of futurist and dada works, in original folklore, in organ music and all kinds of strange, unusual and weird music! Also highly appreciated is any information on the famous concerto for factory sirens and steam pipes in Baku, 1922! Trades are welcome, too!

Your offers, information, questions or whatever are welcome! Feel free to write to:

Bitte nur Originalpressungen mit Cover und in sehr gutem Zustand anbieten.Kauf oder Tausch.
Außer den gelisteten Sachen suche ich natürlich noch alle anderen 77er Punkrockscheiben,die ich noch nicht kenne,speziell aus Europa. Mit * markierte Platten habe ich selbst noch nicht gehört,an diesen besteht also nur Interesse,wenn sie mir wirklich gefallen.

Please offer only original pressings with cover and in at least excellent condition.Will buy or trade.Besides the listed records I´m interested in any other good ´77-´83-punkrockstuff,which I don´t know up to today,Europe prefered.Records marked with * ,I haven´t had a listen to.

DUB SYNDICATE
"One Way System" [ROIR A121]

Produced by U.K. dubmaster Adrian Sherwood for exclusive cassette release on ROIR. Michael Shore in his liner notes says, "Sherwood produces some of the world's best dub music—funky, fun, scary and avant garde." Sherwood has produced Pinski Zoo, Mothmen, Prince Far I, Vivian Goldman, New Age Steppers, and has been involved with top U.K. and Jamaican reggae, jazz and African performers. A first-class roster of eminent instrumentalists was assembled for Sherwood's "One Way System" including Style Scott, Bingi Bunny, George Oban (Aswad), Steely (Roots Radics), Vin Gordon and others. This is **killer** dub—play it loud!

THE RAINCOATS
"The Kitchen Tapes" [ROIR A120]

A real score for ROIR! One of the U.K.'s most eminent/seminal "new wave" bands has selected ROIR and the cassette-only format to present their hottest album length material, recorded live at NYC's prestigious avant garde Kitchen Center for the Performing Arts. Formed in 1977 and initially inspired by the Slits, the Raincoats have released two LPs on Rough Trade that were cult hits in the U.K., Europe and U.S.A. The band includes Vicky Aspinall, Gina Birch, Ana Da Silva, Richard Dudanski, Derek Godard, Paddy O'Connell. Songs include No One's Little Girl, Balloonacy, Oh La La, Only Loved At Night, I Saw a Hill, Mouth of a Story, The Boy, Shouting Out Loud, Rainstorm, Dance of Hopping Mad, Animal Rhapsody, Puberty Song, No Side to Fall In, Honey Mad Woman. Liner notes by Greil Marcus: "They seize the prosaic and fling it back with the intensity of a terrible quarrel." **Sounds UK** described their music as "a contradictory con(fusion) of glamour, feminism, personal politics, funk, sex, love and heartache."

BUSH TETRAS
"Wild Things" [ROIR A119]

NYC's hottest funkiest "downtown band" with an immense devoted following. An u[illegible] erosion with the best rhythm section in America—jangling guitars, heavy dub bass s[illegible] and funk/reggae/disco rhythms. After successful singles and a Stiff EP, **this** is their very first album. Songs include Cowboys In Africa, Making a Mistake, Stare, Boom, Rituals, Enemies, Wild Thing, Submerging Nations, Too Many Creeps, and 5 more. Recorded live late 1982 and engineered by Joe Blaney (American engineer for the Clash!). Liner notes by Jeffrey Lee Pierce (Gun Club). **Music & Sound Output** called this tape "Funky and fiercely, teeth-grittingly danceable."

JOHNNY THUNDERS
"Too Much Junkie Business" [ROIR A118]

The great rock 'n' roll survivor, ex-New York Doll, recorded in NYC in the studio and live in late '82 by the Rolling Stones' producer Jimmy Miller. Lots of new material: Just Another Girl, Diary of a Lover, Give Her a Great Big Kiss, I Love You, Jet Boy, Who Do Voodoo, In Cold Blood, Sad Vacation, Get Off the Phone, Too Much Junkie Business, King of the Gypsies, Who Needs Girls, So Alone, Let's Go. Band includes Walter Lure, Jerry Nolan, Billy Rogers and the JT "Regulars." Liner notes by Robert Palmer (**NY Times**) who says: "It has more guts, more life than a good 99 percent of rock and roll being made today!" Johnny at his very best!

NICO
"Do or Die" [ROIR A117]

The famous "first lady of the Velvet Underground" in amazing European performances, both with her band, Blue Orchids, and solo. Liner notes by Giorgio Gomelski, iconoclastic early manager of the Rolling Stones, Magma and legendary impresario. Songs include: Janitor of Lunacy, Saeta, All Tomorrow's Parties, Vegas, No One Is There, Abschied, Secret Side, Procession, Heroes, Femme Fatale, Waiting For My Man, The End. A chilly, unique figure in rock music; this is a lengthy sampler of Nico's work minus production flourishes of her studio albums. Nico has worked with Jackson Browne, Lou R[illegible], John Cale, Brian Eno, Phil Manzanera. Truly gloomy romantic music and a h[illegible]tic montage from the "Moon Goddess."

SINGLES
"The Great New York Singles Scene" [ROIR A116]

A fantastic music document of the do-it-yourself NYC scene from 1977-1980. This compilation includes the original Patti Smith "Piss Factory," Richard Hell's "Blank Generation," Television's "Little Johnny Jewel" (remixed especially for this cassette by Tom Verlaine), plus Speedies, U.S. Ape, Nervus Rex, Mumps, Come-On, Invaders, Marbles, Theoretical Girls, Erasers, Model Citizens, Student Teachers. These are the original underground singles and hit songs of New York City's most popular cult bands of the mid '70s. Compiled by Tom Goodkind with the help of Meg Griffin and Lenny Kaye of "Nuggets" fame. The most fun compilation of all time. Liner notes by James Wolcott.

PRINCE CHARLES & THE CITY BEAT BAND
"Stone Killers" [ROIR A115]

Hot, sassy, energetic ghetto funk! **Very baaad!** This amazing Boston-to-New York band is a big hit in the ghetto but was discovered by the British press! Prince Charles, ex-gang leader, ex-con, leads a pack of street warriors and they don't fool around! **NME** says: "Frantic rhythms, powerful funk, latent violence, total commitment, a definite edge, grass roots." An urban, upbeat uprising. This cassette was licensed to Virgin UK for an album available only on import. Prince Charles has just signed to Atlantic Records, USA, so be on the lookout for a big career in the funk!

TELEVISION
"The Blow Up" [ROIR A114]

At long last! Tom Verlaine and the historic crew (Billy Ficca, Fred Smith, Richard Lloyd) in one of the great legendary bands of all time! 85 minutes of live performances (1978) selected personally by Verlaine. Including over 15-minute versions of Marquee Moon and Little Johnny Jewel plus Satisfaction, Blow Up, See No Evil, Knockin' on Heaven's Door, Friction, Elevation, Prove It, I Don't Care, Venus de Milo, Foxhole, Ain't That Nothin'. Liner notes by Robert Christgau and John Piccarella. A double album length performance at our regular price! **The Los Angeles Times** says of this tape: "Leader Tom Verlaine spins some breathtaking, explosive guitar solos . . . and his interaction with guitarist Richard Lloyd is often spellbinding and electrifying."

NEW YORK THRASH
Hardcore compilation [ROIR A113]

A compilation of 22 songs by eleven New York hardcore bands with two songs each from Bad Brains (Regulator, Big Take Over), Beastie Boys (Riot Fight, Beastie), Kraut (Getaway, Last Chance), The Mad (I Hate Music, The Hell), Even Worse (Emptying the Madhouse, Illusion Won Again), False Prophets (Taxidermist, Scorched Earth), Heart Attack (Shotgun, God Is Dead), Undead (Social Reason, Nightmare), Nihilistics (Here and Now, Love and Kisses), Adrenalin O.D. (New Year's Eve, Paul's Not Home), and The Fiends (Asian White, Cry Now). Produced by Dave Hahn, ex-manager of the Bad Brains. Liner notes by Tim Sommers of **UK Sounds**. **NME** says "Best value, eagerly awaited, documents the New York Hardcore scene . . . genuinely exciting!" **Trouser Press** calls this tape "definitive."

ALFONIA TIMS & HIS FLYING TIGERS
"Future Funk/Uncut" [ROIR A112]

Tough, raw, brutal, harmolodic funk *a la* James Brown mixed with Ornette Coleman/Jimi Hendrix. Liner notes by Gil Evans, producer of many Miles Davis albums. Tigers are eight pieces including trumpets/horns. This cooks, wails and jumps and is **very** danceable! Tims, 26, died three weeks before this cassette was released. **Billboard**: "built on a solid base of R&B, plus rock, reggae, and jazz—vibrant with energy." **Cashbox**: ". . . no precedent for this 8-song legacy of unbridled energy—seamier side of punk/R&B." You must get this one!

SCIENTIFIC AMERICANS
"Load and Go" [ROIR A111]

Often referred to as the East Coast Residents, the Sci-Ams were described by **Billboard** as "American post-Devo with dub reggae effects." Electronic, humorous, danceable, giddy, melodic, crisp-quirky-intelligent. **Boston Rock** calls them "a bathtub PiL with jive humor." The Scientific Americans are skillfull purveyors of punked-up dub, full of fury and lean and jerky. They never let go of the beat!

HUMAN SWITCHBOARD
"Coffee Break" [ROIR A110]

This tape is Human Switchboard's famous live WMMS radio performance from the Cleveland Agora on November 8, 1981 featuring new and old favorites. Richard Grabel of NME says "a range of moods from gentle delicacy to brawling frustration to proud celebration—some dramatic new songs." For the uninitiated, Human Switchboard emerged from the college circuit in Kent, Ohio to cult prominence/diehard fan support and national critical acclaim. For descriptive purposes: a garage version of the Talking Heads mixed with some Velvet Underground. **Trouser Press** said this tape ". . . offers a valuable look at a vital band." A great party band that will keep you moving!

SHOX LUMANIA
"Live at the Peppermint Lounge" [ROIR A105]

Electronic, futuristic and very danceable. A New York science fiction troupe with 3 vocalists, 3 synthesists and an acoustic drummer. This is an electrorock tale about a fictional civilization. Band includes Lari Shox, songwriter and vocalist, who exhibits a theatricality in the Bowie-Numan vein. Richard Bone, Stephanie Kaye (Lenny's wife) and a musical/theatrical troupe that won major support in the Northeast. Liner notes by Lenny Kaye. Electro rock plus science fiction in a great setting!

NEW YORK DOLLS
"Lipstick Killers" [ROIR A104]

The first underground New York Dolls album! **Available only on cassette!** The Mercer Street Sessions. At long last available—the original New York Dolls in 1972 with Billy Murcia on drums (he died before their first commercial recordings), Johnny Thunders on guitar and vocals, David Johansen on harp and vocals, Sylvain Sylvain on guitar, Arthur "Killer" Kane on bass. Studio performances produced by Marty Thau, recorded prior to the Mercury signing. Includes earliest renditions of: Pills, Jet Boy, Frankenstein, Bad Girl, Looking For a Kiss, plus Don't Mess with Cupid and more. Johansen's voice has never been clearer or more up front. Liner notes by Roy Traiken. **NME** says this is "as good a Dolls collection as you can get."

SUICIDE
"Half-Alive" [ROIR A103]

Half live, half studio, dating from 1974-79 with vocals by Alan Vega. Reprocessed from live and studio tapes by Martin Rev. Liner notes by Lester Bangs. The definitive Suicide with many songs recorded at Suicide's Home Studio. Includes: Harlem II, Johnny Dance, Cool As Ice, Goin' to Las Vegas, and more." ★★★★★ (five stars) Suicide are real, tough, disturbing, dance pulse, brilliantly unique." —**Zig Zag**. **Boston Rock** says "There is nothing lulling and safe here. Exploration is the key. Unadulterated passion. Suicide is religion." They paved the way for today's synthesizer bands!

THE DICTATORS
"Fuck 'Em If They Can't Take a Joke" [ROIR A102]

Early New York "heavy metal"! Probably the very best they have ever done. Wild and hairy. New York's earliest great hope for punk supremacy recorded live at the Left Bank in February 1981. Reprocessed from live tapes by Adny Shernoff. Liner notes by Richard Meltzer. With "Handsome Dick" Manitoba, vocals, Ross the Boss (now with Manowar) on lead guitar, Adny Shernoff on bass and vocals. "Top Ten" Scott Kempner (now with Del-Lords) on rhythm guitar, Richie Teeter on drums and vocals. Includes: Next Big Thing, Science Gone Too Far, Weekend, Two-Tub Man, Borneo Jimmy, Minnesota Strip and more. **Trouser Press** chose it as one of the ten-best releases that year and said: "Pure relief. The bottom line here is hardness (as in any confrontation with NY's first great hope for Punk Supremacy) and this cassette captures that."

8 EYED SPY
"Live" With Lydia Lunch [ROIR A101]

Reprocessed from live tapes by Chris Stamey of the dB's. Liner notes by Byron Coley. The original great band with the late George Scott on bass, Pat Irwin on sax and guitar, Michael Paumgardhen on guitar, Jim Sclavunos on drums and Lydia doing the vocals. Robert Palmer of **The New York Times**: "One of the best of 1981. It makes clear, in a way no other recording has, the connection between the abrasive sounds of new wave music and older rock forms such as surf music instrumentals and swamp pop." **Sounds Magazine**: "★★★★★ (five stars) Deliciously seedy." **The Village Voice** calls it "attack dog brilliance." A crucial ROIR release!

JAMES CHANCE AND THE CONTORTIONS
"Live in New York" [ROIR A100]

Live performances recorded at the Peppermint Lounge and The 80's. Mixed by Chance with liner notes by Glenn O'Brien. Includes: White Cannibal, That Old Black Magic, Money to Burn, King Heroin, Sophisticated Cancer and more. Great raw funk/punk/new wave by one of the greats who invented it. **NME** says: "The playing is great—whiplash hot, sax-playing brashly authoritative." **Boston Rock** says: "This is how Chance is meant to be heard, live without studio perfection . . . the best Contortions release." Joseph Bowie of DEFUNKT is on trombone. ROIR's very first release and a classic new wave no-holds-barred funk transitional masterpiece!

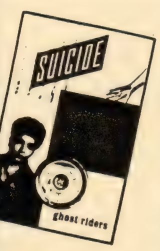
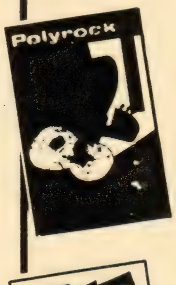
NEW RELEASES



SUICIDE
ghost riders

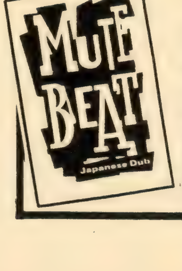
SUICIDE "Ghost Riders" [ROIR A145]

Suicide's second release for ROIR is a superb recording of the famous Tenth Anniversary Concert at the Walker Art Center in Minneapolis in 1981. This influential primal electronic duo (Marty Rev and Alan Vega) first surfaced in NYC's art scene in the early '70s and presaged the advent of "new wave" movements and groups like Kraftwerk, Joy Division, Human League and OMD. Songs include: Ghost Rider, Sweet White Lady, Rock 'n' Roll (Is Killing My Life), Harlem, Rocket U.S.A. Running time: 42 minutes. Liner notes by David Fricke.



POLYROCK "No Love Lost" [ROIR A144]

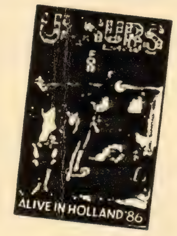
Polyrock was one of the most popular "new wave" NYC club bands in the late '70s. Their serialist/minimalist highly danceable eccentric songs elicited both dance and trance response, incorporating creative tension and endless grooves, accompanied by brilliant aural clarity and crisp syncopations. Their first two RCA albums were produced by Phillip Glass. "No Love Lost" runs almost fifty minutes and consists of demos from 1981-84 that were never mastered, early live performances recorded at Irving Plaza and Hurrah from 1980-83 and experimental works in progress at the time of their breakup in 1984. Fifteen songs, with production and liner notes by Billy Robertson.



MUTE BEAT
Japanese Dub

MUTE BEAT [ROIR A143]

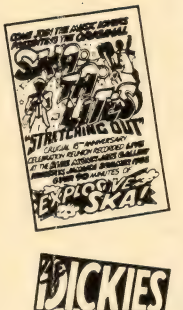
"A contender for the title of the best dub ever made"—Doug Wendt, *Tower Pulse.* Sixty solid minutes of wrap-around dub sparkles out of the speakers, showcasing Japan's most prominent exponents of reggae. A mixture of Adrian Sherwood's On-U-Sound dub with the Gil Evans/Miles Davis era recordings. "The overall effect is magnificent with side trips that extend into previously uncharted dub regions reminiscent of improvisational jazz, Spanish bullfight ring songs and even UB40."



UK SUBS
ALIVE IN HOLLAND '86

UK SUBS "Left For Dead—Alive in Holland '86" [ROIR A142]

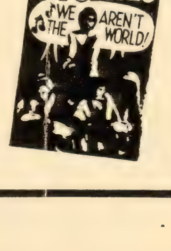
Approaching their tenth anniversary, the UK Subs play high energy, fast paced punk with a wall of sound rhythm guitar and chant-sung vocals that have made them one of England's most popular speed-rock outfits. Sixty minutes in running time, "Left For Dead" has 23 songs including: CID, Emotional Blackmail, Endangered Species, Fear of Girls, Rock 'n' Roll Savage, SK8 Tough, New York State Police, Does She Suck, Limo Life, Confrontation Street, Warhead, Police State, Tomorrow's Girl, Between the Eyes, and nine more. Liner notes by Jack Rabid.



SKATALITES
STRETCHING OUT
EXPLOSIVE SKA!

SKATALITES "Stretching Out" [ROIR A141]

Before reggae came "ska" and the popular "skank" dance—a mixture of R&B, jazz, swing, polka and Latin American influences. Here we have the Skatalites, the original group of ace Jamaican musicians (who later influenced the popular '80s groups Madness, Selecter, Specials, Bad Manners) regrouping from all over the world after 18 years separation to rehearse for Reggae Sunsplash and "play out" at the Blue Monk Jazz Gallery in Kingston, Jamaica. Over 90 minutes of explosive ska, "dazzling intensity as they mix bebop, calypso, R&B, swing with an irresistable double time," Amy Wachtel, The Night Nurse. Produced by Herbie Miller.



DICKIES
WE AREN'T THE WORLD!

THE DICKIES "We Aren't The World" [ROIR A140]

As one of the first new wave bands to emerge from Los Angeles, in the late '70s, the Dickies' constant touring and consistent high energy live performances have made them into one of Americas's favorite fan-supported bands. Their self-parody and hyperactive punk flippancy continues on "We Aren't the World," their first release in over three years. Sixty minutes long, it includes their earliest 1977 studio demos and material recorded in England (1978), Cleveland (1980), New Jersey (1982) and CBGB's NYC (Oct 1985). 25 songs! All the most popular material including many songs never appearing in album/LP format before! Produced by Stan Lee. Liner notes by Lisa Fancher.

Weiter wäre zu sagen,daß der Ralfi Pogosee ne Menge alter Scheiben hat die er gerne loswerden möchte,sind alle gut erhalten und recht günstig.Entschuldigen möchten wir und für die Schriftgröße(kleine),da wir aber bei Samplern alle Bands,bzw.bei Zines ne Menge vom Inhalt mit in die Liste nehmen können wir leider nicht größer schreiben. Leider wird beim Altpapier die Schrift noch unleserlicher,da das Papier dunkeler ist. Also wenn du und de[illegible] Freunde die Liste ausgelesen habt,führet sie bitte dem Recycling zu! O.K. Die 1. Gründer-LP "SCHLAGENDE WETTER"

"die Gründer, das sind 3 Musiker die sich im Frühjahr 1986 zusammengetan haben. Die anfänglich ziemlich düster und depressiv wirkende Musik entwickelte sich im Laufe dieser Jahre so variantenreich, daß man sie heute in keine Schublade mehr stecken mag: Beat, Punk, Pop, Psycho...werden variiert und kombiniert - ohne jedoch den "Roten Faden" der Gründer-Identität zu verlieren ("It`s always Rock`n`Roll"). Immer für eine Überraschung gut - auf Konzerten und Platte - man kann sich nie ganz sicher sein."

Live-Präsentation: Freitag, 12. Mai 1989, 20.30 Uhr im Jugendhaus Höfingen (Leonberg)
Ab Dienstag, 16. Mai in folgenden Verkaufsstellen erhältlich:

CROWD OF ISOLATED

LOOKING FORWARD

So, wie gesagt, will ich in Zukunft an dieser Stelle über Bands berichten, die auf Tour kommen. Und das wären im Juni z.B. **DIE MIMMIS** und **LUDWIG VON 88.** Ein richtiges Funpaket sozusagen. **DIE MIMMIS** klingen immer noch wie früher ("77er Pogozottelgehabe"), **LUDWIG VON 88** sind aus Frankreich, etwas härter, aber immer noch steht an erster Stelle Fun. Don't forget the Fun.

ANTHRAX und **SUICIDAL TENDENCIES** kommen auch, aber über Poser, die Stadthallen auftreten, wird nix geschrieben. Auch wenn sie das Copyright auf NY HC haben.

"Wollt ihr das totale Wah Wah Pedal ?" schrieb das TRUST derletzt über **UNION CARBIDE PRODUCTIONS.** Auch die schwedischen STOOGES sind auf Tour. Step back or be crushed.

Die alten Haudegen von den **VANDALS** kommen zusammen mit **MIND OVER 4.** Auch wenn ihre neue LP 'nen ziemlicher Weichspüler ist, und die Junx nun Cowboystiefel tragen, sollte man sie sich live nicht entgehen lassen. Wurden übrigens derletzt in Kalifornien wegen Nazisprüchen von der Bühne und aus der Halle gejagt. Rauhe Sitten herrschen dort, jomei!

Auch für die Billy Fans gibt's zwei Leckerbissen: Zum einen **BATMOBILE** mit "Eurobilly", welcher in die härtere Psychobilly Ecke geht, und die wieder reformierten **STRAY CATS** mit traditionellem Rock-A-Billy.

Auch die Aufsteiger des Jahres '88, natürlich **DINOSAUR JR.** überfallen uns. Was einen erwartet dürfte bekannt sein - harte Gitarre und sanfter Neil Young Gesang um es auf einen kleinstmöglichen Nenner zu bringen.

So, wer kommt sonst noch ? Also, da wären **NAKED RAYGUN** (punk Rock with great Guitars), **KINA** (die italienischen HÜSKER DÜ), sowie die **PIXIES** und **SUBTERRANEANZ** (Big Store meinte, man sollte unbedingt erwähnen, daß die **SUBZ** mit den **PIXIES** auf den Tour sind, was hiermit geschehen ist). Für alle diese Touren und noch einige mehr findet ihr die Dates weiter hinten. Folgende

MB-Preise: Hier handelt es sich quasi um eine Auktion, die Preise sind als Mindestgebot zu verstehen. Ich muß zu diesem Mittel greifen, da es sich oft um Platten handelt, die extrem selten sind und/oder von mir nirgendwo angeboten gefunden wurden. Also: schreibt mir bei Interesse, was euch die Sachen WERT wären, ich setze kein Zeitlimit (außer vielleicht: nächste Liste) und wir werden uns dann schon einig. Kleiner Tip: bin auch stets an Tausch interessiert (Suchliste bei Bedarf anfordern) !

Bestellt wird folgendermaßen: Eure Wünsche bitte **SCHRIFTLICH** an (Achtung, NEUE ADRESSE!) Dieter Mörchen, Arndtstr. 47, 04275 Leipzig oder **TELEFONISCH** über **0341/9900723** (am besten abends ab 18 Uhr, Bestellungen nimmt aber auch der Anrufbeantworter entgegen). Ihr erhaltet dann eine schriftliche Reservierungsbestätigung und könnt danach den Rechnungsbetrag (zzgl. 7,- DM Porto u. Verpackung; bei Bestellungen über 150,-- DM entfällt dieses!) per Verrechnungsscheck begleichen **oder** auf folgendes Konto überweisen: Dieter Mörchen, (nicht URGH! oder so etwas!), Sparkasse Leipzig, Kto-Nr.: **1848119760**, **BLZ 860 555 92**. Nach Eingang der Kohle gehen die Platten sofort an Euch raus. Laßt ihr Euch mehr als **4 Wochen** Zeit mit bezahlen, erlischt die Reservierung und der nächste Interessent kriegt den Zuschlag. Noch ein wichtiger Hinweis: Wer ein Poster mit Schallplatten zusammen bestellt, muß noch 7,- DM Porto **extra** abdrücken, wenn ich es separat als Rolle schicken soll. Wenn euch ein paar Falze egal sind und ihr das Extra-Porto sparen wollt, dann müsst ihr das gesondert angeben.
Abkürzungen: co = cut-out (Löcher, Schlitze u. ä. in den Covern werden von den Vertrieben angebracht), sco=kleiner cut out, woc/wobc=word on cover/back cover (Geschreibsel, Zahlen o. ä. auf dem Cover bzw. LC = Firmenlochcover bzw. Labelcover (also kein Bildcover). PWC = plain white cover. s/t = same titel (Platte heißt wie die Band), OST = Original Soundtrack (Film-Musik), BEx = Bibliotheks-Exemplar (Platte ist tiptop, hat aber stoc + stol, teilweise Leihzettel auf dem Cover).
Plattenzustände: Wenn nicht anders angegeben, sind die Platten im Zustand ex/ex, die erste Bewertung betrifft das Cover, die zweite die Platte.
m=mint (ladenneu, ungespielt), ex=excellent (der übliche second-hand-Standard mit minimalen Gebrauchsspuren), vg=very good (Platte knistert, hat kleine Kratzer, Cover ist leicht beschädigt). schlechteres Material mute ich Euch nicht zu. Und nun fröhlicher Vinylkonsum!

Februar 1999

Anbei die erste Liste des neuen Jahres mit zT. reduzierten Preisen & etlichen Neuzugängen (insbesondere US Sachen), die ich z.T. nur für Freunde mitverkaufe. Bei allen Platten handelt es sich, wenn nicht anders vermerkt, um Originalpressungen. Die Platten sind durchweg gut erhalten, d.h. nur auffällige Mängel an Platten und Covern sind vermerkt. Für Bestellungen und Fragen bin ich abends auch telefon. zu erreichen. Da es sich bei fast allen Platten um Einzelstücke handelt und die Liste über einige Monate im Umlauf sein wird, gebt bitte Ersatztitel an, bzw. fragt telefon. nach, was noch lieferbar ist. Nachdem eure schriftl. oder telefon. Bestellung (auch per e-mail möglich) bei mir eingegangen ist, teile ich euch den Gesamtpreis für die noch lieferbaren Sachen mit. Nach erfolgter Bezahlung (bitte kein Bargeld im Brief!!!) schicke ich die Platten raus. Also erstmal bis zur nächsten Liste & weiterhin viel Erfolg bei der Plattenjagd!!!
tschüß Christian

PS: Wer diese Liste zum 1. Mal erhalten hat und diesmal nichts bestellen, aber auch die nächste Liste zugeschickt bekommen möchte, schickt bitte 2,20 in Briefmarken. Alle übrigen Leute, die aus dieser oder der letzten Liste bestellt haben, erhalten die weiteren Listen wie üblich automatisch bei Erscheinen.

Ich suche noch deutsche Single Veröffentlichungen von englischen Punk, New Wave & Ska Bands aus den Jahren 76-80 (auch Informationen über Auflagenhöhe/ Promos etc./ Kontakt zu Leuten, die zw. 76-80 bei dt. Plattenfirmen tätig waren).

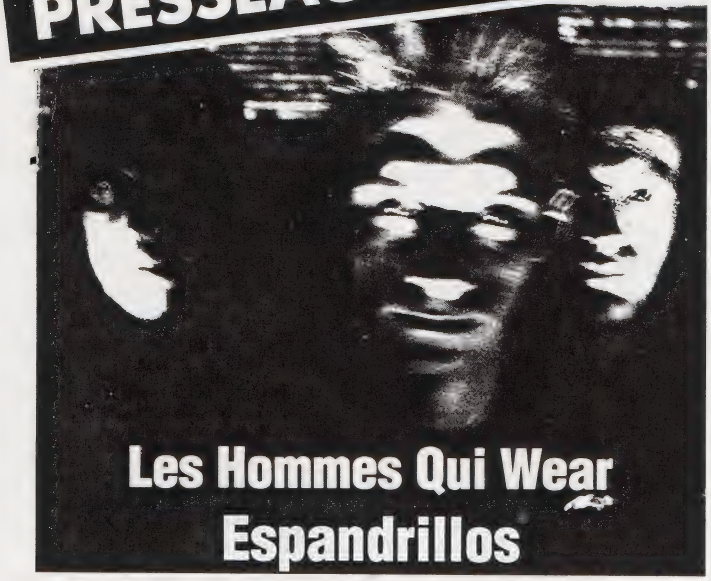
PRESSEAUSSCHNITT



"Wir haben einen Vorteil. Bisher wollte uns noch keine Plattenfirma, deshalb können wir spielen, was wir wollen!" Dieses Zitat von Markus Kreutzer sagt schon fast alles über die Musik der neuen CD der *Espandrillos* aus. Grund genug, zu versuchen, die Musik des Trios etwas näher zu analysieren.

In der Zillo-Ausgabe 11/92 stand als Schlußwort, daß sich "*Les Hommes Qui Wear Espandrillos* in zwei bis drei Jahren durchgesetzt haben werden". Ein knappes Jahr später sind sie durch die Veröffentlichung ihres zweiten Werkes "No Is Music" dieser Prognose einen großen Schritt näher gekommen. Jörg Schneider (Schlagzeug), Markus Kreutzer (Stimme, Gesang,Gitarre) und Guido Lucas (neuer Bassist) präsentieren in der Tat jetzt noch mehr musikalische Freiheiten, als man ihnen nach dem Debüt "Georgette Rouen" zugetraut hätte.

"No Is Music" steht, wie mir Jörg verraten hat, als Synonym für "totale musikalische Freiheit; alles machen zu können, was man will; keine Vermarktungsaspekte berücksichtigen zu müssen; praktisch im eigenen Mikrokosmos zu leben."

Wie beim Vorgänger, muß die neue CD mit Sicherheit mehrmals gehört werden, um zu begreifen, was mit diesen Worten gemeint ist. Der Lohn dieser "Mühe": Man versteht plötzlich die perfekte Synthese dieser CD, d.h., die Verknüpfung verschiedener akustischer Elemente zu einem außergewöhnlichen Ganzen, wobei -zumindest bei mir- anfängliche Antipathien, speziell bei den Improvisationen, in Sympathie umschlagen.

Der Umstand, daß diese Musik nicht gerade radiotauglich ist, macht eine Vermarktung natürlich nicht einfach. Jörg hierzu: "Ich warte immer noch darauf, daß mehr Radiojournalisten den Mut aufbringen, auch unkonventionelle Musik zu spielen; dabei haben wir z.B. mit dem Opener 'Lay it down' wirklich ein himmlisch schönes Stück geschaffen."

Durch ständiges Touren haben sich die *Espandrillos* aber mittlerweile doch einen Namen geschaffen, zumal ihre Auftritte keine Langeweile aufkommen lassen. So hört man immer öfter von exzessiv-begeisterten Publikumsreaktionen, denen das Trio meistens noch eins draufsetzt in Form von durchgetretenen Platten der Fußmaschine, fliegenden Schlagzeugen (in bester *Who*-Manier) und schmorenden Amps.

Jörg: "Nach so einem Konzert habe ich das Gefühl von wirklich real erlebter Freiheit, egal ob wir vor 10 oder 1000 Leuten gespielt haben."

Über negative Erfahrungen bei Konzerten kann die Band auch berichten. "Wir waren als Vorband der *Tubes* für deren Deutschlandtournee gebucht; da wir denen total die Schau gestohlen hatten, haben uns die *Tubes* nach zwei Konzerten rausgeschmissen."

Die gesamte Herstellung ihres neuen Albums erfolgte in Eigenregie; für den Vertrieb konnte die renomierte Vertriebsfirma IMS gewonnen werden. Am 21.8.1993 begann eine umfangreiche Deutschlandtournee, sodaß das Trio erneut zuversichtlich in die Zukunft blicken kann.

ZILLO 9/93

Les Hommes Qui Wear Espandrillos
"No Is Music"
(Eigenproduktion/IMS)

Die *Espandrillos* stellen mit Ihrer zweiten CD ein fast klassisch aufgebautes Werk vor. Über den wunderschönen -fast suizidgefährlich ruhigen- Opener "Lay it down" wird systematisch eine Spannung aufgebaut, die sich im letzten Track "No is music" mit einem apokalyptischen Gewitter in Form einer Improvisation entlädt. Dynamischer hat das selbst Ravel mit seinem berühmten "Bolero" nicht geschafft. Dazwischen findet man die gesamte musikalische Bandbreite zwischen Rock, Jazz, Atonalie und Schrillheit, die den Hörer in eine Achterbahn der Gefühle versetzt, sofern er die Musik sehr sehr laut hört.

Texte spielen bei den *Espandrillos* weiterhin eher eine Nebenrolle; vielmehr setzt der Sänger seine Stimme häufig als weiteres Instrument ein, um nicht zu sagen, Markus Kreutzer hat den Urschrei neu definiert.

Insgesamt ist "No Is Music" keine leicht verdauliche Ware, und soll es auch nicht sein. Dafür ist es nachhaltig beeindruckend.

VISIONS 9/93

In dem Sound aus waviger Melancholie bricht als destruktives Element immer wieder wütend-noisy die Gitarre herein, festgehalten nur durch den pompenden Bass und dem stoischen Beat des Schlagzeugs: weite Abgründe aus neurotischem Taumel, keine Ruhepole mehr, denn jede Nische im Kopf ist gefüllt mit unverdaulicher Materie. Je mehr man hinterfragt und versucht zu verstehen, desto näher rückt der Wahnsinn, denn wenn der Schleier erst einmal vollständig gelüftet ist, reicht der Vestand zum Erfassen nicht mehr aus. Bei dem 13-minütigen Instrumentalstück *"No Is Music"* ist dann jede klare Struktur dem Wahnsinn gewichen und man gelangt zu der festen Überzeugung, daß das Ende unerträgliche Stille ist. Es gibt keine Erlösung.

FACHBLATT 10/93

Erstaunlich eigenwillig geben sich auch ***les hommes qui wear espandrilllos*** aus Nordrhein-Westfalen auf ihrer mittlerweile zweiten CD NO IS MUSIC. »Alles oder nichts, ganz oder gar nicht, entweder oder« lautet ihr Motto und dem werden sie hier durchaus gerecht. Stilübergreifend kreieren sie einen völlig eigenen Sound, der abseits jeglicher Mainstream-Bahnen daherkommt. 1990 hat sich diese Formation gegründet und durch viele Live-Auftritte eine Menge Profil gewonnen. Die atmosphärischen Songs werden kontrastreich mit harten Gitarren überzeichnet, bleiben aber auch mal sanft, düster und sphärisch im Raum stehen. Auf jeden Fall was für diejenigen, die Alternativen zur gängigen Rock- und Popmusik suchen (Par Excellence/International Music Service).

MY WAY 9/93

Keine Plattenfirma will die Band, ein Grund mehr für das dynamische Trio ohne Rücksicht auf Verluste und ohne irgendwelche Kompromisse ihre Musik zu spielen. Die Band lebt in ihrer Musik und selten habe ich einen solch komplexen oftmals sperrigen Sound gehört, der soviel von dem kleinen Wörtchen "Improvisation" lebt mit diesen Folgerungen! Die Musik dieser Band zu erfassen braucht Zeit. Die Stimme wird oftmals als viertes Instrument eingesetzt, während die "herkömmlichen" Tönerzeuger (G/ B/ D) oftmals wie verloren wirkend im Raum umherschweben um plötzlich unerwartet aufzutauchen und Dampf zu machen (Unexpected)! Lebt Jimi Hendrixx noch, man könnte es glatt vermuten. Und doch gibt es Songs wie etwa "Embrace the world" oder der Opener "Lay it down", die ich mir im Radio vorstellen könnte. Andere schräge Sachen haben da echt keine Chance auf Airplay, aber würde die Band diese Musik spielen wenn sie Wert drauf läge? 70 Minuten dauert diese CD bevor zum Schluß das akustische "Love sick" und der Titelsong das Werk beenden. "No is music" setzt dem ganzen die Krone auf mit 12 Minuten Chaos Musik, ein früherer Zappa hätte seine helle Freude an diesen zerstörenden Klängen! Wer in die CD reinhören möchte, sollte dies nicht mit dem Titelstück tun - er würde schleunigst das Weite suchen. Live sind sie im Herbst hoffentlich auch bei uns unterwegs.Bei den ersten Konzerten als Vorband der Tubes haben LHQWE als Vorband dermaßen abgeräumt, daß sie kurzerhand als Vorgruppe vor die Tür gesetzt wurden. Ob sie diese knallharte ohne jegwede Schnörkel versehenen Songs auch auf der Bühne live präsentieren... Für ihre dritte CD wünsche ich Ihnen eine Plattenfirma, die sich zu ihrer Musik bekennt und die Ihnen vor allem vertriebsmäßig weiterhilft. Es ist wirklich eine Schande welche Bands heutzutage bei der Industrie hohe Studiogelder verprassen und dann doch nur einen gemäßigten Nirvana Sound zustandebringen wenn überhaupt. Kopf hoch Jungs! Noch ist nicht aller Tage Abend-

RADIO VON UNTEN
PRESSEDIENST 9/93

Les Hommes Qui Wear Espandrillos 'No is Music' (Par Excellence, Emsstr. 54, 41836 Hückelhoven) Die Band mit dem komplizierten Namen hat soeben ihr zweites Album produziert. Wieder hat man sich für die komplette Eigenproduktion entschieden, was wohl kaum am anhaltenden Desinteresse der Majors liegen dürfte. Oder etwa doch? Kompromißlos intellektuell erscheint die Musik. Innovativ wäre vielleicht treffender. Der Hörer wird nicht belallert, er wird gefordert. Die Gruppe verlangt von sich und ihren Zuhörern so offen und unvoreingenommen wie möglich zu sein. Vergleiche mit anderen Bands fallen nicht leicht. Die Band wurde 1990 gegründet. Mit dem ersten Album 'Georgette Rouen' - RVU berichtete - gab man über 100 Konzerte - sowohl im Vorprogramm als auch auf eigenen Touren. Die Songs erzeugen eine eigenartige Atmosphäre mit treibenden, dann wieder ruhigen Gitarren und drängendem Gesang. Wieder erwachen Erinnerungen an die Genialität der frühen Ultravox!, die auch ihrer Zeit voraus waren. Man geht musikalisch eigene Wege. Nun war schon 'Georgette Rouen' ein Album, das zum Zuhören und Nachdenken zwang. 'No is Music' läßt die Frage aufkommen, wie lange es wohl noch dauern wird, bis die Goethe-Institute die Band für sich entdecken werden und sie - wie vor ihnen schon die Neubauten und Malaria - als kulturelle Botschafter um den Globus schicken. Sicherlich eine der interessanteren deutschen Bands.

CAT CAFE, ULM 10/93

Auf dem schmalen Pfad zwischen Krach/Lärm und aussagekräftiger, wütender und anspruchsvoller Musik bewegen sich Les Hommes Qui Wear Espandrillos. Bei der Kölner Band noch von Musikeinflüssen zu sprechen ist nicht nur anmaßend und müßig, sondern schlichtweg unmöglich. Mit dem simplen Worten Trash-Avantgarde-Wave versucht sich das Trio selbst zu charakterisieren. Die ganze Wahrheit, und nichts als die Wahrheit liegt irgendwo dazwischen. Hochenergetisch, extravagant, hart, intelligent und halsbrechersch. In den diversen Musikgazetten werden die Espandrillos hochgelobt, und das sicher nicht umsonst. Vor allem live dargeboten wird sich niemand ihrer Musik entziehen können, sei's drum, daß sie bei manchem nur fassungsloses Staunen hervorrufen werden.

KÖLNISCHE RUNDSCHAU 29.10.93

Bonner Band „Les Hommes qui wear Espandrillos"

Ohrenbetäubend

Von Raoul Mörchen

Sperriger als die zweite CD „No is music" sind allein die Konzerte ihrer momentanen Tour. Auch auf den schwarzweißen Plakaten prangt in großen Lettern jenes „No ist music", und wer's ein paar Mal gelesen hat, spätestens aber, wer „Les Hommes qui wear Espandrillos" live gehört hat, weiß um die doppelte Bedeutung des Titels: „Nicht ist Musik" — aber auch „Lärm-Musik", „Noise Music" halt.

Durch CD und Plakat gleichermaßen vorgewarnt, konnte ein gewisser Überraschungseffekt beim Mittwochabend-Gig im Rose Club dennoch nicht ganz ausbleiben. Das Bonner Trio „Les Hommes" nämlich produziert nicht nur eine Menge ausgeklügelten Krachs (dessen Ausmaße hart an der Schmerzgrenze sind), sondern nebenbei auch eimerweise Schweiß — Dinge also, die sich schwerlich auf der heimischen Stereo-Anlage realisieren lassen.

Krach und harte Arbeit freilich sind keine schlechte Mischung, wenn man auf der Bühne sein Innerstes nach außen kehren will. Von „Liedern" zu sprechen, wird der Sache demnach kaum gerecht. Eher handelt es sich um Attacken auf das Durchschnittsgemüt. Musikalische Grundlage dafür sind rabiate Schlagzeug-Prügeleien, Rückkopplungen, endlose Baß-Linien, und die geschundene Gitarre des Frontmanns Markus Kreutzer, die gegen Ende des Auftritts über die Bühne segelt, zu Boden taumelt und dort hin und her geschrubbt wird, als gälte es, ihr den Garaus zu machen. Oder aber dem kleinen, zähen Publikum.

Wie man solche Musik nennen soll, ob Punk oder Trash oder was sonst, das ist fast sekundär. Ebenso die knappen Texte, die den Lauf der Welt beklagen, den eigenen Liebesschmerz oder den Tod des Nikolaus. Interessanter ist da schon die Frage, warum die drei Jungs sich derlei Torturen unterziehen, die Gegend mit Konzerten überschwemmen, im großen Stil die Werbe-Trommel rühren und sogar die Mutter des Schlagzeugers anheuern konnten, bei den Auftritten Karten, T-Shirts und CDs unter die Leute zu bringen. Denn eines sollte klar sein: So erstaunlich kompromißlos wie das Konzept der Band und dessen Ausführung, so eng begrenzt wird sicher der Kreis derer bleiben, die an solcherlei Dezibel-Bädern auf Dauer Gefallen finden. Doch das Wort „Gefallen" würden „Les Hommes" sicher ohnehin nicht mögen.

No Is Music
(Par Excellence LC 6241)

Soundgewitter zwischen bizarr und brachial. Diese Musik schont niemanden: nicht die Gitarristen und Bassisten, nicht die Felle des Drummers und auch nicht die Stimmbänder des Sängers — am allerwenigsten aber die Zuhörer. Die einzelnen Stücke haben die Steigerung mit eingebaut — wie eine Ravel-Komposition. Verhaltener Beginn, am Ende improvisiertes Chaos. Als hätten sich Bauhaus und die Einstürzenden Neubauten zu einem Trance-Trip getroffen. Ein ambitioniertes Konzept. *(pit)*

No Is Music

Par Exellence

Obacht! Hier kommt starker Tobak. Auch auf seinem zweiten Album gibt sich das Trio mit dem bizarren Zungenbrecher-Namen radikal eigenwillig und kompromißlos. "No Is Music" - von der Band selbst aufgenommen und produziert - enthält elf extrem dynamische, zumeist beklemmende und hochintensive Songs zwischen Post-Punk, Dark Wave, Neo-Psychedelia kakophonischem Noise-Rock. Ihre spröde Mischung aus verhallten Gitarrenwänden, kühnen Rhytmuswechseln, Momenten von unerwarteter Sanftheit, sonderbaren Melodien und manischem Gesang erinnert dabei manchmal an die besten Momente der frühen 80er Jahre. Die knapp 70-minütige Platte verlangt dem Hörer eine Menge ab und taugt sicher nicht für Leute mit schwachen Nerven. Aber auch wenn die Les Hommes Qui Wear Espandrillos manchmal etwas arg übertreiben und ihre Musik manchmal einen Hauch zu prätentiös wird, "No Is Music" ist fraglos ein ziemlich eindrucksvolles Album.

WOM JOURNAL 11/93

LES HOMMES QUI WEAR ESPANDRILLOS

»No Is Music«

Zu den wichtigsten Merkmalen eines erfolgreichen musikalischen Projekts gehören unter anderem ein kurzer, einprägsamer Bandname und ein ebensolcher, möglichst noch irgendwie sinnvoller Produkt-Titel. Wenn man allerdings aus dem deutschen Hückelhoven kommt, mag man das mit einem Augenzwinkern ein bißchen anders sehen.

Sieht man davon ab, daß sich das »Pidgin English« des Titels in den Texten nahtlos fortsetzt, sind die Spinnereien damit aber auch schon zu Ende, denn was sich musikalisch auf dem zweiten Album der Bast-Schuh-Träger tut, ist ganz und gar nicht zum Lachen. Ohne falsche Rücksicht auf Harmoniegesetze, mal schmerzhaft elegisch bis beängstigend, mal wütend bis zur Raserei bereiten die drei ihre offenbar doch recht ansehnlichen Depressionen zwischen Einsamkeit und Weltuntergang in breit angelegten, komplexen Kompositionen mit manchmal etwas zuviel theatralischem Pathos musikalisch auf, lassen sich dabei von frühen Deutsch-Rock-Experimenten à la Can ebenso beeinflussen wie von deren späterer New-Wave-Wiederaufbereitung.

Das Ergebnis ist – für eine Eigenproduktion – auch vom Sound her recht gelungen, trotzdem nur Hörern mit einem einigermaßen robusten Nervenkostüm zu empfehlen. Wer's nicht glaubt, lasse sich zur Probe mal auf den Titel-»Song«, einen dreizehnminütigen Instrumental-Alptraum ein.

CHARMANTE CHAOTEN

Die Unerwünschten schlagen zu

Hückelhoven (ak) – Anarchie ist machbar, Herr Nachbar. Getreu dieser Devise setzt ein Trio mit dem seltsamen Namen Les Hommes Qui Wear Espandrillos sämtliche Regeln akustischer Kunst außer Kraft.

Das mit dem Namen ist schon ein starkes Stück. „Menschen, die Espandrillos tragen" - ein Kauderwelsch aus französischen, englischen und spanischen Wortfetzen. Und diese Menschen haben das Chaos zum musikalischen Programm erhoben. Markus Kreutzer, Jörg Schneider und Guido Lucas praktizieren auf ihrer zweiten, samt und sonders in Eigenregie entstandenen CD „No Is Music" (LHQWE 2/IMS) das Diktat stilistischer Zügellosigkeit. Zwischen Rock und Jazz, schriller Kakophonie und dadaistischen Lautmalereien ist immer noch ein Stuhl frei, auf den sich die charmanten Chaoten aus Hückelhoven dann auch prompt setzen. Natürlich läßt sich mit derlei akustischen Provokationen kein Blumentopf, geschweige denn eine reguläre Plattenfirma oder gar Interesse beim Funk gewinnen. Doch die Band nimmt's gelassen. „Wir haben einen Vorteil", erklärt Markus Kreutzer, „bisher wollte uns noch keine Plattenfirma, deshalb können wir spielen, was wir wollen."

LES HOMMES QUI WEAR ESPANDRILLOS

Erstaunlich was sich heute so an Bands auf der Straße wiederfinden muß, manchmal fragt man sich, ob die Industrie die dunkle Sonnenbrille nicht wirklich mal absetzen sollte und statt drittklassigem ‚Gransch‘ aus Amiland mal eine talentierte deutsche Band zu signen. Kein Wunder, daß Caspar Brötzmann immer mit soviel Hochachtung von seinem Label spricht.

LES HOMMES QUI WEAR ESPANDRILLOS sind aber nicht die Jungs, die sich aufregen, lieber machen sie ihre Musik und gehen auf Tour. Mit *‚NO IS MUSIC‘* haben sie eine wirklich eine gute CD produziert, da werden nicht nur Songs aufgenommen, sondern LHQWE haben ihr Produkt gestaltet. Von innen wie von außen. Für ihre experimentelle, kompromißlose Musik nutzten sie mit 70 Minuten die Länge der CD voll aus, drei Songs mit Überlängen verlangten ihren Raum, es sind auch die Tracks, die den innovativsten Charakter tragen, ökonomisch in der Wahl der Instrumentierung, umschiffen sie die Gefahr eines wabernden Soundbreis. *‚Sun‘* reflektiert wahrscheinlich unbewußt die Stimmung dieser Band, die am Rande des finanziellen und künstlerischen Abgrunds agieren muß. *‚No is Music‘* schraubt sich von Track zu Track in satten Abmischungen von der beunruhigenden Mid-Tempo Nummer *‚Lay it Down‘* über das schon verstörende *‚Unexpected‘* über das fast radiofeundliche *‚Embrace the World‘* hin zu ihrem Killer-Absturz Song *‚No is Music‘*, der ihrer unbedingten musikalischen Freiheit Ausdruck verleihen soll. Vergleiche drängen sich für die LHQWE nicht gerade auf, aber vielleicht gehören diese Weirdos zur gleiche Gattung wie Verve, die auch von allen unbeachtet ihre Kreise ziehen und unbemerkt ihre musikalischen Kapriolen schlagen. Wohl gemerkt, musikalisch grundverschieden, arbeiten beide Bands mit dem Prinzip der destruktiven Songauflösung, verlassen sich auf die Ohren ihrer Hörer, auf den Höhepunkten ihrer Songs überschlagen sich dann die Ereignisse und man wird in eine Leere entlassen.

Zum Nebenbeihören finde ich die ESPANDRILLOS etwas nervig, da erweckt ihre Schrillheit eher Aggression als Sympathie, allerdings, welche ambitionierte Musik ist schon zum Dudeln gedacht.

Jörg Schneider, Trommler der Band, freut sich auf die Tour der Espandrilos durch Deutschland und hofft auf eine positive Zuschauerreaktion, doch die Verlautbarungen nach der Tubes-Tour lassen da wenig Zweifel aufkommen, der Vertrieb ihrer nunmehr zweiten CD ist gesichert, und die Interessierten können zugreifen, um sich von den Qualitäten der Band zu überzeugen. Was ihre musikalischen Vorbilder angeht, ist aus Jörg nicht viel herauszubekommen. Nur Caspar Brötzmann entlockte ihm echte Begeisterungsausbrüche. „Vielleicht schaffen wir es ja auch mal so tolle Musik zu machen. Wir haben ihm mal unsere CD geschickt, da hat er dann hier angerufen, ich bin bald umgefallen vor Freude. Meine Mutter (die Frau, die sich um alles bei den ESPANDRILLOs kümmert) hat dann mit ihm gesprochen. Ich hab das damals noch nicht gebracht.“

Vor einer weißen Wand haben sich die LHQWE ablichten lassen und schauen etwas dröge in die Linse, aber Poser gibt es genug, hier zählt nur eins, die Musik.

NEUE WESTFÄLISCHE 9.OKT.93

„Les Hommes Qui Wear Espandrillos“ im Elfenbein

Mit Planierraupen durchs Hirn

Bielefeld (stb). Die Musik ist entfesselt, stürmisch und gewaltig. Sie besitzt den apokalyptischen Touch, beruht auf einem reinigenden Destruktivismus. „Wenig Leute, aber geil“, meinte Ralf und bewegte sich selbstvergessen, ganz im Einklang mit dem Klangtornado im Elfenbein.

Ein Gewitter kündigt sich in den einzelnen Stücken an, der Donner rollt dramatisch und endlädt sich explosiv, dann wird es wieder ruhiger, doch die Spannung bleibt erhalten, der nächste Kracher kommt bestimmt. Sänger Markus Kreutzer schrammelt wild auf der schwarzen Supermarktgitarre, reißt und zerrt an den Saiten, zögert das Ende der Songs hinaus: Drei unabhängige Solisten bearbeiten exzessiv die Geräte, profilieren sich als Improvisationsakrobaten. Musik wie im Alptraum, das flüchtende Schlagzeug will entkommen, doch der Baß läßt sich nicht abschütteln. Komplettiert durch einen weinerlich-depressiven Gesang werden die Titel zum Inferno.

Die Songs waren in der Gesamtheit Planierraupen für das Hirn, doch nach einer gewissen Dauer merkte man kaum noch, daß es sich bei dem neuen Stück tatsächlich um ein anderes als vorher handelte. Plötzlich brüllte Sänger Markus Kreutzer, und da registrierte der aufmerksame Hörer: Aha, eben hat er nicht geschrien, der Song hat einen fundamental gegensätzlichen Charakter, eine Hommage an die Inspiration.

Zur Zugabe spielte das Trio das als Weltpremiere deklarierte Stück „Bloodfish“ oder Bratfisch. Doch ob weißer Hai oder Kabeljau, das schnöde Tanzstück fiel durch die geringfügig übertriebene Monotonie wahrhaftig aus dem Rahmen, der spartanische Gesang bestand in der aneinandergereihten Wiederholung des Titels.

INTRO NOV./DEZ. 93

In der heutigen Musiklandschaft gibt es viele Bands, die den Mainstream auf ihre Fahnen geschrieben haben, um so zu Ansehen und Geld zu kommen. Es existieren aber auch Gruppen wie LES HOMMES QUI WEAR ESPANDRILLOS, die sich mit ihrem ureigenen Stil den Konventionen der Musikszene entziehen.

les hommes qui wear espandrillos

Anläßlich der Tour zu ihrem aktuellen Album »No Is Music« traten sie auch im Hamburger Marquee auf. Dort breitete sich schnell eine Begeisterungswelle zwischen Bühne und Zuschauerraum aus. Was die leider nur wenigen Konzertbesucher (ca. 20) so mitriß, ist schwer in Worte zu fassen. Ein Wechselbad von Gefühlen bricht beim Hören über einen herein: Infernalische Klangwälle werden von ruhigen, düster melancholischen Teilen aufgebrochen, Improvisationen führen eine völlige Auflösung der Musik herbei. Man ist den Klängen ausgeliefert und weiß nicht, ob man auf ein baldiges Ende hofft oder ewig in dieser Welt verharren möchte, völlig losgelöst im Labyrinth des Sounds.

Die 1990 gegründete Band, die diese atemberaubende Klangwelt kreiert, besteht aus Markus Kreuzer (Voc./Guit.), Jörg A. Schneider (Drums), dem neuen Bassisten Guido Lucas (Bass), sowie Elken Schneider (Management und Mutter) und Lukas Hegemann (Mixer).

Daß die Musik und die Texte der Band eher düsterer Natur sind, liegt wohl darin begründet, daß Markus in seinen Songs negative Erfahrungen und Gefühle zu verarbeiten sucht.

Die Texte beschreiben keine Situationen, sondern die damit verbundenen Emotionen. Ihr Inhalt ist so verschlüsselt, daß der Hörer Raum für Identifikation, aber auch eigene Interpretationen hat. »Killed St. Claus« entstand z.B. zu Weihnachten, als Markus auffiel, daß niemand dieses Fest einfach mit den Menschen feiert, die er liebt, sondern jeder auf Geschenksuche durch die Stadt hetzt und zur Krönung Heilig Abend in die Kirche geht, um so vielleicht doch noch in den Himmel zu kommen.

Nicht nur in diesem Fall umgeht er Konventionen, auch in der Musik der LES HOMMES ist kein Platz für Angepaßtes. Sie versuchen immer neue Wege zu beschreiten, in der Musikszene, aber auch in ihrer eigenen Entwicklung.

Obwohl die Musik auf »No Is Music« wesentlich experimenteller und ausgereifter klingt, ist sie letztlich immer Ausdruck der Begeisterung, die LES HOMMES beim Musikmachen empfinden. Die Weiterentwicklung nicht nur der spielerischen Qualitäten und die Suche nach neuen Ausdrucksformen wird auf der neuen CD ausgesprochen deutlich. Gerade »I've Had Enough«, für mich der Höhepunkt dieser Einspielung, zeigt den Prozeß von melancholischen, gesangsbetonten Passagen hin zu Ausbrüchen in härtere Instrumentaleinlagen und das Enden in einer Improvisation, die charakteristisch ist für die neu erschlossenen musikalischen Räume. Bisheriger Gipfel dieser Entwicklung ist das Titelstück »No Is Music«, dessen Name der Idee eines Zuschauers zu verdanken ist, welcher versuchte, seinem Eindruck des Gehörten Ausdruck zu verleihen. Aktionen wie diese Endlosimprovisation wären bei einem namhaften Label wohl kaum möglich. Die Freiheit, sich nicht nach Verkaufsstrategien richten zu müssen, hat aber auch den Preis, daß es so schwieriger ist, die Öffentlichkeit zu erreichen.

Es bleibt trotzdem zu hoffen, daß immer mehr Menschen dahinterkommen, was ihnen mit dieser Musik bis heute entgangen ist. Auf jeden Fall darf man auf die Weiterentwicklung dieser genialen Band gespannt sein! MEEK

les hommes qui wear espandrillos

Abgemagert und vom Leben gezeichnet sehen sie aus, die drei, und wer ihre Performance bei einem der letzten Uni-Feste miterlebt hat, kann das nachvollziehen. Selten hab ich einen Schlagzeuger gesehen, der sein Instrument derartig verdroschen hat, wie überhaupt die ganze Band ständig zwischen noch-Show und schon-Wahnsinn hin- und herzappt, scheinermaßen. Zwischen Songversuchen und brachialer Kakophonie brodelt da jede Menge Energie auf der Bühne, was sich natürlich nur bedingt in Tonträgern fassen läßt, die gibt es aber auch. Aber bitte sehr, hier habt ihr sie live. Nur schade, daß unsere Bühne zu niedrig ist, um die Gitarre so verliebt am Rand hin- und herschwingen zu lassen wie die soeben strangulierte Freundin.

KÖLNER STADTREVUE 10/93

Das zweite Album von ● **Les Hommes Qui Wear Espandrillos** (siehe Foto) heißt »No Is Music«. Eckdaten: 11 Songs, 70 Minuten Musik, im Alleingang aufgenommen und auf dem eigenen Label veröffentlicht (Par Excellence). Respekt. Dabei machen die Espandrillos alles andere als Musik für den kurzen Weg zum Strand. Zu abgründig, schwermütig und zähflüssig ist ihre Vision von Punk/Wave-Musik. Zu radikal die Gitarren-lastige Produktion. Minutenlang kreisen ihre Songs oftmals um das selbe Motiv, um sich dann zu erheben und selbst zu zerstören. Bestes Beispiel das zwölfminütige »Sun«. »No Is Music« ist ein Statement. Mag sein, daß es dir die Schlinge um den Hals legt, aber... they don't suck!

No Is Music
~~Eigenvertrieb~~ IMS

Die LES HOMMES QUI WEAR ESPANDRILLOS, bekannt für eine äußerst extravagante Art von Musik, veröffentlichten nun ihr zweites Album „No Is Music“ und man gewinnt sofort den Eindruck, daß es sich hierbei um eine wortwörtlich gemeinte Interpretation des Titels handelt. Nach dem wunderbar-merkwürdig ruhigen Opener „Lay It Down“ wartet man erfahrungsgemäß auf den sogenannten Sturm an Inprovisationen, der sich natürlich auch einstellt. Ich gebe zu, ich konnte dieser Musik bislang nicht allzuviel abgewinnen, aber wenn man sich länger mit dem Zusammenspiel von Free Jazz, Rock und Abgefahrenheit beschäftigt, merkt man irgendwann: Es ist gar nicht so schlecht. Am besten, man hört es laut. Texte sind hierbei eh nicht so wichtig. Nicht sehr leicht verdaulich, aber interessant.

Sie machen es einem nicht einfach, die Jungs, die Espandrilllos tragen. Ein skurriler Stilmix mit Raffinesse und eigenwilligem Charme gewürzt schlägt dem Hörer entgegen, wobei die sperrig spröden Arrangements erst nach mehrmaligem Spielen ihren Zugang finden.

Les Hommes Qui Wear Espandrillos begeistern mit einem skurrilen Stilmix Foto: Par Excellence

Ein enormes Maß an Phantasie und Interpretationswillen, gespickt mit melodischenm Einfallsreichtum, zeichnen die 11 Kompositionen aus. Die 1990 gegründete Formation findet ihren künstlerischen Niederschlag in hypnotischen Refrains voll Magie, angereichert mit New-Wave-Remineszenen und Avantgardpotential. Auffallend ist zudem die Ehrlichkeit, mit der die kraftvoll getränkten Melodien rübergebracht werden und die überschäumend aggressiv ihre eigene Note reflektieren.

Drei düstere Männer, Drums, Gitarre, Baß, ein Heimstudio in Hückelhoven, ein merk(!)würdiger Bandname, viel Wut im Bauch, viel Anti im Kopf, viel Lärm im Ohr.	Schreien, vor allen Dingen schreien, wild die Gitarre peitschen, Baßsaiten zerreißen, die Drums quälen, an 80er-Düster-Wave denken und an Sixties-Sound. Energisch pürieren, dicht arrangiert kakophonieren.	Auf jeden Fall schwarz eindekken! Hier hilft auch der Sahne-Blubb nicht. Auf sich niederprasseln lassen und über die 90er nachdenken!	Keine Diät, sondern Vollwertkost – jeder Ton strotzt vor Kohlehydraten. Zur besseren Verdauung empfiehlt sich ein Doppel-Veterano.
